BREST-LITOVSK CITY | DANIELS ACCUSES FISKE; HIS OF BLACKENED RUINS AMBITION THWARTED, HE SAYS

Failure to Get Atlantic Fleet Command Inspired Attacks on Navy, Secretary Testifies—Admits 5 Year Plan Will Not Put U.S. in Second Place.

the Navy Daniels brought the hearings before the House Naval Committee to a close to-day by administering a parting broadside of accusation against the foremost of his naval critics, Rear Admiral Bradley A. Fiske.

spired not by genuine differences over the question of preparedness, but by the disappointed ambition of Admiral Fiske, appointed ambition of Admiral Fiske, appointed ambition of the Atlantic fleet so many commander of the Atlantic fleet so many decommend at a very great saving." commander of the Atlantic fleet so many times that his importunities became em-barrassing. Shortly after the appoint-

mand, he asserted, Admiral Fisco dis-appointment became manifest.

Secretary Daniels's reply evidently was curefully arranged by himself and the chairman of the committee, Repre-sentative Padgett. Just as the hearings were about to close the latter pro-pounded the questions regarding the per-sonal and official relations between the

Rear Admiral Fiske told the com-mittee he had not been given a place on the General Board, although Admiral Dewey had recommended his appoint-ment. Mr. Daniels said Admiral Dewey

Admiral Fiske gave the impression that he had resigned because of lack of sympathy with the Administration's sympathy with the Administration's sympathy with the Administration's splans for preparedness. Mr. Daniels said that Fiske had threatened to resign before the question arose at all, a difference of opinion occurring between them as to whether the navy should be "governed by Old World or American ideals."

Secretary Daniels said that when Ad-

which made comfortable quarters once it had been cleaned and washed.

Washed, day they are so thoroughly at their in the ruined city that they found and opportunity to set up rows of his work at Vera Cruz, the Secretary added, Admiral Fiske said that Admiral Fletcher would not take it if it were offered to him. The Secretary wrote to Admiral Fletcher, who replied that he would regard it as a great honor. Accordingly he was appointed.

the critics of the Department. He refused, in reply to a request by Representative Britten, to submit copies of correspondence with the General Board. Declaring it was of a high confidential character, he said that he would change the entire personnel of the board if he discovered "who was giving out these things to be hawked about and gossipped about."

The Secretary also denied that he had directed the General Board to eliminate

in my life." This statement is in direct conflict with that of Admiral Fiske, who

That there was a difference of opinion of State that the Grand of long standing between himself and firefulnes's order that towns and fing in front of the German adnowled be destroyed has cost the Empire not less than 8,000,000, doo, doo, bles (\$4,000,000,000,000). And again end?

That there was a difference of opinion of long standing between himself and Admiral Fiske Secretary Daniels and Admiral Fiske Secretary Daniels and moule in front of the German adnowled by the principle of militarism and follow the principle of militarism and put men at the head of the navy whose put men at the head of the navy whose fathers and grandfathers had been in the service we never would be able to ob-

The Secretary by implication charged that the opinions of his former chief aid and adviser on the shortcomings of the Administration's naval policy were inspired not by genuine differences over the spired not be proved.

erode, and in reply the Ordnance Bu-reau has submitted specifications for a 14 inch .45 calibre gun which would be able to fire 200 rounds without show-

be able to the 200 rounds without show-ing signs of wear.

"These were not specifications of the actual gun in the navy," said Admiral Strauss, "but of a very much better gun. If the Krupps could build it we would have been very glad to have them do so, and to obtain it as a pattern on which we could work ourselves."

ment. Mr. Daniels said Admiral Dewey
had made the recommendation, but had
later changed his mind, saying that he
wanted a less theoretical man.

Admiral Fiske gave the impression
any source possible with the idea of improving manufacture in this country. As shells from the Krupp plant which had a time fuse with a clock arrangement.
Ordnance experts are now trying to
duplicate the fuse in this country. Admiral Strauss also denied emphatically that designs for 14 inch guns and shells had been turned over to the Russian

The controversial character of the final hearing to-day was brought to a climax when Representative Britten undertook to obtain from Secretary Daniels an explanation of his reasons for the five year programme. Mr. Daniels rebelled at some of the questions, insisting that they constituted an attempt to bring politics into the hearings. He resented the implication that he had cut down the estimates of the General Board.

before he retired, for three years recommended a small programme. After Mr. Taft's defeat he recommended everything without limit."

In reply to Mr. Britten Secretary Daniels said he had never heard that a copy of plans of war with Japanese had been lost by the Navy Department. The Secretary admitted that the Administration's five year naval programme would not bring the navy to second place.

"Is the navy prepared for immediate."
